

Fund Raising?

Over the years we printed over **235,000** cards for good causes. If you would like to use your pictures to raise money for your cause, we offer preferential rates and no set up fees. All we ask is for the details to be clearly printed on the card and where possible the registered charity details of contact information.

can print your artwork

Copying your picture

We can copy your paintings by either colour flatbed scanner or digital camera and then reproduce, to your satisfaction, greetings cards, copies, notelets, headed paper or any other idea you may have.

There is a one off set up charge of £3.50 - this includes scanning your artwork (up to A2) and setting up the card. Slightly higher prices apply for larger artwork.

There is NO MINIMUM order quantity for greetings cards
